

學術主題清單/ Research field list

01. Autophagy
02. Biotechnology
03. Cancer
04. Chemical biology
05. Disease model
06. Epigenetics
07. Immunology and infectious diseases
08. Metabolic control
09. Neuroscience
10. Plant biology
11. Post-translational modifications
12. Protein function and enzymology
13. DNA & RNA biology
14. Structural biology
15. Systems biology and omics
16. Others
